| Inside Height             | 2.86"                                                                                           |
| Mouth Width               | 1.44"                                                                                           |
| Shackle Size              | 7/8"                                                                                            |
| Pin Size                  | 1"                                                                                              |
| Material                  | Carbon Steel Shackle Alloy Steel Pin                                                            |
| Finish                    | Galvanized                                                                                      |
| Type                      | Bolt Type Chain                                                                                 |
| Product Weight            | 3.9 lbs.                                                                                        |
| Standards                 | Meets or exceeds all requirements of ASME B30.26, Federal Specification RR-C-271, & ASTM A148M. |
| Manufacturer Name         | Crosby®                                                                                         |
| Brand Part Number         | 1019837                                                                                         |
| Additional Info           | WLL (tons): 6.5                                                                                 |

**SAFETY INFORMATION**

- Never exceed the Working Load Limit (WLL). The WLL is the maximum load the product is rated to handle in service.
- Inspect before every use. Remove from service if cut, worn, abraded, stretched, cracked, bent, corroded, heat-damaged or missing its identification tag or marking.
- Protect webbing, rope and chain from sharp edges and corners with edge protection.
- Lifting and rigging must follow the applicable ASME B30 standards, OSHA regulations and a qualified person's lift plan.
