| Manufacturer Name          | Gunnebo Industries                                                                   |
| Brand                      | GrabiQ                                                                               |
| Brand Part Number          | B14774                                                                               |
| Additional Info            | Made in Sweden                                                                       |

**SAFETY INFORMATION**

- Never exceed the Working Load Limit (WLL). The WLL is the maximum load the product is rated to handle in service.
- Inspect before every use. Remove from service if cut, worn, abraded, stretched, cracked, bent, corroded, heat-damaged or missing its identification tag or marking.
- Protect webbing, rope and chain from sharp edges and corners with edge protection.
- Cargo securement on commercial vehicles must meet FMCSA 49 CFR Part 393, Subpart I (aggregate WLL and minimum tie-down rules).
